

UNINSURED RENTER AGREEMENT

FOR NORTHWEST CAMERA CO.
AND
UNINSURED RENTER

I, _____ (RENTER), know and understand that I am renting equipment from Northwest Camera Co without providing a valid insurance policy. Because of this I am aware of the risks, values and penalties of renting equipment without an appropriate insurance policy. I am agreeing to be solely responsible for any items that are lost, damaged, stolen, etc.

I agree that myself and my production party will be responsible for replacing any equipment that is lost, damaged or stolen in a timely manner. I am also aware that I can be charged daily or weekly rates while equipment is being replaced for lost time. I will be responsible for paying any deductible fees that Northwest Camera Co may incur due to lost, damaged or stolen property. I'm authorizing Northwest Camera Co the authority to charge any card on file or request sums totaling the value of the loss for equipment. If I can't afford to pay the value of gear, legal action may be taken.

By signing this document, this overrides the contractual insurance agreement made in the rental agreement contract. This document will cover all insurance portions of the Rental Agreement Contract between Northwest Camera Co and you, the uninsured renter.

I've read and agree to all of the following terms and conditions and agree to be liable for all rented equipment regardless of the circumstance. I understand that this can be a potential huge risk for me, the renter.
